Rapid Fire presentation Instructions - WAB2024

Workshop on Additive Biofabrication 2024

Welcome to WAB2024! Please follow these instructions for your **rapid fire** presentation:

1. Presentation Structure

- **Total Duration**: 3 minutes
- **Note**: No Q&A session

2. Presentation Preparation

- **Format**: PowerPoint (.pptx) or PDF.
- **File Name**: Use `RapidFireNumber_LastName_FirstName_WAB2024.` `(e.g. RF3_Skywalker_Luke_WAB2024).`

3. Uploading Presentations

- **Where**: Projector computer in the presentation room.
- **When**: Load your presentation as soon as possible, but make sure it is loaded by the end of Thursday 26th.
- **Assistance**: A technician will be available to help.
- **Check**: Ensure your presentation works properly.

5. During Your Presentation

- **Timing**: Strictly adhere to the 3-minute limit.
- **Focus**: Clearly present key points due to the brief time available, and encourage attendees to visit your poster.

Thank you for your cooperation. We look forward to your contribution to WAB2024!
